THE WOMAN IN BROWN
WHERE WE FIRST MET

We met a while back but it feels like we just met yesterday. Through our ups and downs I am glad that we could be together and witness our lives, dreaming about lil squishes we'll call ours one day

And I know it's a lil embarrassing but please don't judge me for falling in love with Chippa the Cutu, on literally our first morning together :D

Anyways here are some memorable places and moments about my darling. Enjoy !!

Cannot Blame a Man for Falling for you here,
Gorgeous and amazing riding her lil scooty

Yes It was a lil embarrassing for both of us but come on bhaiya, how can you judge me for kissing a cutie like Nida in public.

We will do it after downing our beer and eating our pizza as fast as possible at home thank you very much :)

Also yes Nida looks pretty here but me like more Nida to hold thick Nida better hehehehhe.

Okay next page pe jaa bye :D

THE HARD WORKING NEVER EAGING NIDA
WHERE WE HUNG OUT

*Yeah I can only remember one thing from this time,
Amazing nights and amazing days, literally the best I
have ever had so far in my life
And also being ignored (or not heard as far as you
keep saying :((() whenever I said I love you*

*That's okay tho because you'd let me ride your scooty
and that was awesome hehe, I loved going on rides
with chota Nida being my lil backpack and having cheap
thrills in Bangalore*

**NHAB tip number 545 - Always have a separate blanket in
cold weather as burrito time takes priority over you**

*Now how can I ever forget this dayyyy
The day when Nida became slightly in the acceptable
age range to..... you know hehe, In fact before this
time period we could not do the deeeeed, because I
guess you needed to be 21 hehe*

*I still miss this day way too much cause we had soooo
much fun, apart from the time we had to take a 20
minute detour because of (SOMEONE) navigating :(*

*I continued to fall more and more in love with you just
like today, and being there with you on your special day
was an honor*

NIDA'S BDAY FOR WHICH NIDA
GOT AN EXTREMELY SMOL
HELMET

This I just have no words for this trip to be honest

*The sun was shining but not as bright as your smile
The wind was cool but not as cool as my shirt hehe
The scooty racing we did while talking about love and stuff idk, I was mesmerized by you the entire time
:))))*

I also know lying on that random field with you as the sun went down will be one of my core memories, I hope we can go there again and never think about us getting separated

OUR FIRST LONG DISTANCE SCOOTY TRIP

Oh what can I say about this day, not very fun at all but me and Arun had so much fun in being gande log flirting with ladies people on scooty hehehe

My cutu Nida unfortunately did not sleep on the only meticulously packed yoga mat during the night and fell sick (sobs)

But that's okay the view of my beautiful crush (blushes through my overgrown beard) so happy on top of a hill was amazing and doing anything with my wonderful (now) girlfriend was amazing

Still salty about you not hearing any of the I love yous btw :(

SECOND LONG DISTANCE TRIP

Here you can see my smol little cutu fell sick :(

Even though it was very painful for you, I still look back at those days and feel glad that you fell in love with me at that time hehehe.

And SLEEP ON THE YOGA MAT okay !!!

You are so beautiful even when you're sick and I'm glad you came to play cards with us even when you couldn't speak <3
